Bachelor of Business Administration in International Business

----- About the Course -----

The Bachelor of Business Administration in International Business (BBA-IB) programme is a comprehensive three-year undergraduate course tailor-made to prepare you for a career in International Business. Whether you have a background in the arts, commerce or sciences, this programme will equip you with the necessary skills to thrive in a global business environment. The Program equips the students with the knowledge in the areas of International Marketing, Foreign Trade and Policies, International Economics, Export and Import, Supply Chain Management, International HRM as well as many other financial and managerial topics. The program also acquaints the students with a Foreign Language as a commercial language which makes them to grab the employment opportunities in foreign countries after completing their graduation. When choosing the right college for your BBA-IB programme, MIT ACSC stands out as one of the best colleges in Pune. With a dedicated faculty and state-of-the-art facilities, it is committed to providing students with an exceptional learning experience.

----- Specialisations in BBA IB -----

The BBA IB course makes you familiar with the various operations of companies in the international sector. You will develop a clear understanding of foreign trade and its importance. You will get to learn more about international taxation and loss. The course will also make you aware of the latest trends and strategies. The BBA IB course comes with two different specializations:

- ❖ International Finance and Trade
- ❖ International Marketing and Management

----- Career Prospects after BBA IB -----

By opting for the BBA IB course, you will no longer have to worry about how exactly you are going to build a successful career for yourself as multiple doors will be open before you. You can take up multiple job roles like:

- Relationship manager
- Foreign trade advisor
- Foreign trade analyst
- Export manager
